## 5 - o / k L t u L \ b

K it \ \ ig \ ability to k it \ stand t \ e s \ ock loading o Z large current, JCT16130IS SCR provides \ ig \ dV/dt rate k it \ strong resistance to electromagnetic inter Z erence. It is especially recommended Z or use on solid state relay, UPS, SVC, po k er c \ arger, T-tools etc. From all t \ ree terminals to e I ternal \ eatsink,JCT16130IS provides a rated insulation voltage o Z 2500V$_{RMS}$, Package ITO-247 is RoHS compliant.
